Under the provisions of the Family Education and Privacy Act of 1974, the parents of students under the age of eighteen may decide whether letters of reference written at the request of the student are to be held confidential or made available for personal inspection. If the student is eighteen years of age or over, then the decision is the student's.

Check one of the following statements and have both signatures in the spaces provided so that the recommender will be advised of your choice:

Confidential file. I grant permission for this letter of recommendation to be held confidential by Kenyon College.

Open file. I retain the choice of having this letter of reference available to me.

(Signature of parent or guardian)

(Signature of student)

This portion to be completed by the teacher. Please print or type.

Recommender: The Admissions Committee would appreciate receiving as detailed and candid a picture of the applicant as possible. Your recommendation will play a significant role in the admissions process and in determining the quality and success of this summer's Young Writers program.

Young Writers is not designed exclusively for experienced or talented writers. We hope to enroll students with various academic interests who have sound verbal skills and who want to work on expanding their awareness of the writing and learning process. Please comment on the student's academic abilities and attitudes as well as the student's potential to benefit from participating in a peer writing community. Please be specific. (Feel free to attach an additional sheet if necessary.)

Please complete other side of form

While we welcome a variety of talents and personalities, the workshop format of Young Writers requires students to work well with one another both in and out of the classroom. Consequently, the student's social maturity and skills are also important for the quality of the entire experience at the Kenyon program. Please comment on how the student works with others and would adapt to the social dynamics of residence-hall and extracurricular life.
